A.P. Art History Writing Assignment "How Art Made the World"

Reflect on the video **"How Art Made the World."** Write an essay on whether or not you believe humans are "hardwired" to create art, particular styles of art, etc… or whether or not humans create art, particular styles of art, etc… because of "culture." If you believe there is a combination of factors, such as the two listed above… explain your reasoning, present the pros and cons of this issue. Be sure to have an introduction, body and conclusion in your article.
