"The Sermon on the Mount" Writing Worksheet

Directions: Imagine you were in attendance at the "Sermon on the Mount". Write a personal letter to a relative that lives in another village far way. Share your thoughts with that person…perhaps how you felt and what you think about the message of the sermon. Be creative! Give your relative a name and help me understand something about your relative… for example, their name, age, possible reaction to the message, your letter, etc…
